IIMAK Inks Introduces Compatible Inks for Canon® imagePROGRAF® iPF-6300/6300S/6350, iPF-6400/6400S/6450, iPF-8300/8300S/8400, iPF-9400/9400S

Performance Benefits:
- Highly compatible ink set makes replacing any OEM cartridge easy
- No flushing of the ink lines
- No new color profiles required
- Superior batch to batch color consistency
- High quality pigment dispersions deliver long print display life
- Proprietary sub-micron filtration prevents clogging for long printhead life
- Excellent media compatibility
- Available in remanufactured cartridges and bulk ink for refillers
- Developed and manufactured in USA by IIMAK Inks

### Performance Benefits:

- **Highly compatible ink set makes replacing any OEM cartridge easy**
- **No flushing of the ink lines**
- **No new color profiles required**
- **Superior batch to batch color consistency**
- **High quality pigment dispersions deliver long print display life**
- **Proprietary sub-micron filtration prevents clogging for long printhead life**
- **Excellent media compatibility**
- **Available in remanufactured cartridges and bulk ink for refillers**
- **Developed and manufactured in USA by IIMAK Inks**
